- 📄 Sign up for our most up to date list of hosting companies for sale (Web Host Opportunities List) at <http://www.ebridgemarketingsolutions.com/>

“I’m very glad that I was able to use their services. Without Hartland, I would not have gotten such a good deal. They are definitely worth their minimal fee. They’re professional, honest, very knowledgeable, very responsive in both emails and chat, and things that would have been complicated had I handled them myself were handled by them hassle free.”

### 🕒 **About eBridge**

eBridge Marketing Solutions is a marketing agency that has specialized in the development and administration of cost effective Internet marketing campaigns for the past 7 years.

eBridge offers a wide variety of services, including advertising, consulting and strategic planning, search engine optimization, pay-per-click search marketing management, website design, e-commerce development, business brokering, article and press release writing and advertising campaign management. eBridge has serviced many industries from enterprise software to Webmaster applications to manufactured products to custom prescribed vitamins to back yard cedar garden sheds – eBridge has done it all!
