

Your perfect customer is looking for you online. Make sure they can find you.

Implementing an internet marketing and advertising campaign is one of the fastest and most effective ways to bring qualified prospects to your website or online presence. Done well, your campaign will increase your revenue and boost ROI. Done poorly, and you'll see quite the opposite.

Let eBridge step into the equation

- With eBridge, you'll have seasoned professionals putting their expertise to work for you. No trial and error. No costly mistakes.
- Internet campaigns are complicated. They involve careful monitoring and a considerable amount of administrative support. With eBridge handling all the details, you can put your money and resources to work elsewhere.
- We have access to valuable discounts, demos and other resources that aren't publicly available. Let our connections boost your campaign and improve your bottom line.
- Internet marketing campaigns involve many different players. With only one point of contact, working with us simplifies your communications.
- Regular weekly or monthly reports keep you in the loop, so you know just how your campaign is performing.

eBridge Online Advertising and Marketing Campaign Options

1. Ad Campaign Implementation – this includes all the services needed to run a successful internet advertising campaign, such as:

Researching different publishers
Compiling the best options for your business
Comparing quotes

2. Full Campaign Management – the services offered in the Ad Campaign Implementation + other elements involved in a profitable internet marketing campaign:

Website analysis
Competitive research
Conversions tracking
Cost/benefit analyses
