

It's time to make a connection.

Social media is more than a fleeting trend. Managed properly, social media can be a fantastic marketing tool for businesses. Connecting and conversing directly with your customers provides an amazing opportunity to enhance your company's public persona.

Where should you begin?

With so many tools to choose from (and a plethora of buzz words!) it can be confusing for companies to figure out the best social media strategy to reach their goals. eBridge's social media experts can educate you on what platforms are best suited to your company as well as provide strategic direction to get started.

How can eBridge help?

From strategy to implementation, eBridge can walk you through the steps required for a successful social media campaign including:

- Setting up and launching accounts (Twitter, Facebook pages, LinkedIn, YouTube, Foursquare)
- Copywriting (blog posts, tweets, wall posts)
- Community outreach (attracting new fans and followers, connecting with bloggers)
- Training on the various social media platforms
