

In the market to buy or sell a hosting business?

Many hosting companies that are looking to scale-up their operations and grow their customer base are seeing the value and cost savings of acquiring an existing hosting business. There's no quicker way to get new clients, expand your resources and pump up your sales. eBridge's Business Brokering Program takes the hassles and headaches out of the process of acquiring or selling a hosting business, managing all the details from start to finish.

How eBridge can help you BUY a business:

- No need to spend countless hours researching potential acquisitions. Why spend all that time looking for opportunities, when we have already done it for you? Use our listings to find your perfect match.
- Buying a hosting business can be a complicated process that requires know-how and expertise. With eBridge's consultation, you'll get a deal that works for your best interests and helps you close the transaction smoothly.

How eBridge can help you SELL a business:

- Our confidential, dedicated consulting services paired with comprehensive marketing strategies ensure that your listing gets in front of the right prospects.
- With eBridge working as your 3rd party negotiator, you will get quality offers and the price that your business deserves.

If you want to get in the mergers and acquisition arena of the web hosting industry, look to eBridge for your business brokering needs.
